One Page Project Summary

The South Bay Youth Fishing Event is an Annual event that takes place every year at Alondra Community Regional Park in Lawndale, California. This year the event will take place on May 9, 2015. The event includes a generous lake stocking of catfish, lunch provided by a community based organization, angling lessons provided by the California State Department of Fish and Wildlife "Fishing in the City" program, opportunity drawings and awards.

The event starts at 8:00AM and ends at 12:00PM. The event is for children ages 15 and under.

Background on Applicant's Organization

Purpose and goals:

We provide the residents and visitors of Los Angeles County with quality recreational opportunities that promote a healthy lifestyle and strengthen the community through diverse physical, educational and cultural programming, and will enhance the community environment by acquiring, developing and maintaining County parks, lakes, gardens, golf courses, trails and open space.

Brief summary of current activities:

The County of Los Angeles Department of Parks and Recreation provides a diverse selection of recreational and educational programs and activities including but not limited to youth and adult sports, fishing, environmental education, cultural celebrations and special events.

Geographic area served:

The South Bay Youth Fishing Event serves the following communities within the 2nd District: Lawndale, Gardena, Los Angeles, Torrance, Redondo Beach, Hermosa Beach, Carson, Hawthorne, Lomita and the surrounding communities.

Grant Application

Major sources and dollar amounts of corporate, foundation and government support during current and past fiscal year:

Major sources of funding in previous years and anticipated for this year are as follows:

South Bay Kiwanis Club	\$ 1,000
Gardena Youth Sports Advisory Board	\$ 800
City of Gardena	\$ 1,250

History of all grants received from the Los Angeles County Fish and Game Commission:

This is the first year that we are applying for a grant from the commission for this event. However we have received grant funding for the Cerritos Youth Fishing Derby and The Knabe Katch over the past years

Project Information

Statement of justification of need:

The South Bay Youth Fishing Event is a free to the public event that draws more than 2000 youth annually. Due to the popularity of the event and its continued growth it has become critical that we seek additional resources and partners in order put on the event at the same level each year. The funding provided from the commission to purchase fish for this derby is vital to the program's existence and without this funding the program may not continue.

Statement of purpose and goals:

We provide the residents and visitors of Los Angeles County with quality recreational opportunities that promote a healthy lifestyle and strengthen the community through diverse physical, educational and cultural programming, and will enhance the community environment by acquiring, developing and maintaining County parks, lakes, gardens, golf courses, trails and open space.

Action plan to meet objectives:

In January of 2015 - Setup meeting with stakeholders to discuss program implementation and submit grant application. In February 2015 - Secure all equipment and supplies. In March 2015 - Send out Save the date flyers to all school districts in the surrounding area. In April 2015 - Send out official flyer to school district and local businesses. In May 2015 - Implement and evaluate the program.

Grant Application

Statement of how the objectives advance the propagation and protection of fish and wildlife:

By conducting the youth fishing derby we will advance propagation by introducing new fish to the lake's environment, and contribute to the protection of wildlife by educating the attendees to the proper use of fishing equipment, methods of angling and the importance of conservation.

Project budget and timetable:

We provide the residents and visitors of Los Angeles County with quality recreational opportunities that promote a healthy lifestyle and strengthen the community through diverse physical, educational and cultural programming, and will enhance the community environment by acquiring, developing and maintaining County parks, lakes, gardens, golf courses, trails and open space.

Sources of other support for project:

Islander's Rod & Reel
Freedom
Rainbow Bait & Tackle
California Department of Fish and Wildlife

Current status of project:

This Project is in its planning stages but we have a commitment from all partners mentioned on the application. We are currently seeking additional resources to enhance the program.

Cash flow analysis of the expenditure of project funds:

Revenue	
South Bay Kiwanis Club	\$ 1,000
Gardena Youth Sports Advisory Board	\$ 800
City of Gardena	\$ 1,250
Total	\$ 3,050
Expenditures	
Lunch and supplies	\$ 320.00
T-Shirts	\$ 2,730.00
Total	\$ 3,050

Proposed method of evaluating results:

The program will be evaluated based on the number in attendance, participation in the learning stations, lunches served and fish caught. Additionally, we will gather public input by way of participant feedback forms.

Grant Application

CALIFORNIA FISH AND GAME CODE

§ 13103. Expenditures from fish and wildlife propagation fund; purposes

Expenditures from the fish and wildlife propagation fund of any county may be made only for the following purposes:

- (a) Public education relating to the scientific principles of fish and wildlife conservation, consisting of supervised formal instruction carried out pursuant to a planned curriculum and aids to education such as literature, audio and video recordings, training models, and nature study facilities.
- (b) Temporary emergency treatment and care of injured or orphaned wildlife.
- (c) Temporary treatment and care of wildlife confiscated by the department as evidence.
- (d) Breeding, raising, purchasing, or releasing fish or wildlife which are to be released upon approval of the department pursuant to Sections 6400 and 6401 onto land or into waters of local, state or federal agencies or onto land or into waters open to the public.
- (e) Improvement of fish and wildlife habitat, including, but not limited to, construction of fish screens, weirs, and ladders; drainage or other watershed improvements; gravel and rock removal or placement; construction of irrigation and water distribution systems; earthwork and grading fencing; planting trees and other vegetation management; and removal of barriers to the migration of fish and wildlife.
- (f) Construction, maintenance, and operation of public hatchery facilities.
- (g) Purchase and maintain materials, supplies, or equipment for either the department's ownership and use or the department's use in the normal performance of the department's responsibilities.
- (h) Predator control actions for the benefit of fish or wildlife following certification in writing by the department that the proposed actions will significantly benefit a particular wildlife species.

(i) Scientific fish and wildlife research conducted by institutions of higher learning, qualified researchers, or governmental agencies, if approved by the department.

(j) Reasonable administrative costs, excluding the costs of audits required by Section 13104, for secretarial service, travel, and postage by the county fish and wildlife commission when authorized by the county board of supervisors. For purposes of this subdivision, "reasonable cost" means an amount which does not exceed 3 percent of the average amount received by the fund during the previous three-year period, or three thousand dollars (\$3,000) annually, whichever is greater, excluding any funds carried over from a previous fiscal year.

(k) Contributions to a secret witness program for the purpose of facilitating enforcement of this code and regulations adopted pursuant to this code.

(l) Cost incurred by the district attorney or city attorney in investigating and prosecuting civil and criminal actions for violations of this code, as approved by the department.

(m) Other expenditures, approved by the department, for the purpose of protecting, conserving, propagating, and preserving fish and wildlife.

(Amended by Stats.1990, c 764 (A.B. 4039), § 3; Stats.1991, c. 561 (A.B.722), § 2.)
